

JAIL SERVICES PROGRAM

www.cxroadscounseling.com

As part of a collaborative effort with the Mental Health and Recovery Board serving Belmont, Harrison, and Monroe Counties, we offer our counseling and case management services in the Belmont County Jail.

This program is an effort to increase access to addiction and mental health resources, expand case management services for clients, and improve the coordination of care between our agencies and the criminal justice system.

Court ordered individuals can receive an assessment while incarcerated. Those who have extended sentences are eligible for on-site counseling provided by our highly-qualified licensed professional counselors.

Crossroads Counseling Services celebrates diversity and is committed to creating an inclusive environment for all people. Crossroads Counseling Services does not discriminate on the bases of race, religion, color, sex, gender identity, sexual orientation, age, non-disqualifying physical or mental disability, national origin, veteran status or any other basis covered by appropriate law.
